Tutima

TUTIMA EXPANDS its Grand Classic collection with a new limited-edition red-dial **Grand Classic Chronograph PR** (for power reserve) watch exclusively for the North American market. Tutima will make just 85 pieces – one for each year of the firm's existence – with the number engraved on the case. Powered by a Valjoux 7750

movement, the watch has 12-hour and 30-minute counters and a small running-seconds subdial. At the 3 o'clock position is a date window as well as a retrograde power-reserve indicator. The case and bracelet are made of stainless steel. The watch is water resistant to 100 meters. Price: \$5,200.

Perrelet

PERRELET PRESENTS the first watch in its history with a case made of 100% recycled stainless steel. The watch is water resistant to 100 meters and features a 12-hour counter and a 30-minute counter. The case is engraved with the number 100, representing the 100th anniversary of the brand's founding in 1912. Price: \$1,200.

The watch is made of 100% recycled stainless steel, which is a sustainable and eco-friendly choice. It features a classic design with a white dial and a black leather strap. The watch is water resistant to 100 meters and is suitable for everyday wear. Price: \$1,200.

IBall Watch

THE INTERNATIONAL BALL watch is a limited-edition timepiece that celebrates the brand's 100th anniversary. It features a black dial with a white subdial at 6 o'clock and a date window at 3 o'clock. The watch has a stainless steel case and a black leather strap. Price: \$1,200.

The watch is made of 100% recycled stainless steel, which is a sustainable and eco-friendly choice. It features a classic design with a white dial and a black leather strap. The watch is water resistant to 100 meters and is suitable for everyday wear. Price: \$1,200.
