TUTIMA

GERMAN LADY

The Tutima Saxon One Lady delivers the same sporty character to feminine wrists as its larger counterpart. These are 36mm steel-cased models offered with or without a diamond-set bezel, and with a leather strap or on a steel bracelet. The diamond model features 48 diamonds (0.72 carats in total) set alongside a domed sapphire crystal. The see-through back with sapphire crystal allows the owner to see the automatic Tutima 340 caliber inside.

PRICES: \$3,800 (steel, no diamonds) to \$6,100 (steel with diamonds).
