

## TUTIMA

Tutima now offers a new array of straps in white, beige, gray, ice blue or lilac (shown) for its Saxon One Lady. The watch's 36-mm stainless-steel case is faceted and has an understated design. The bezel is circled with 48 diamonds. The mother-of-pearl dial has index markers and a date window at 3 o'clock. Domed sapphire crystal above the dial and sapphire window in caseback. Automatic Tutima 340 movement with 42-hour power reserve. Reptile strap with folding clasp. As shown: \$6,100.
